Dear Mr. Turner:

I have received and want to thank you for your letter of recommendation
on behalf of [redacted]

The task of screening several hundred young men and women for a limited
number of nominations is indeed a difficult one. Your letter and others
like it are invaluable to me in properly evaluating these young people
as I move through the selection process.

I sincerely appreciate your interest and your taking the time and trouble
to provide me with your recommendations.

Sincerely,

HERBERT E. HARRIS II
